Warranty

Limited Warranty and Disclaimers to End-Use (Remote) Purchasers

WARNING

All installations must completely comply with all manufacturing company warnings and instructions, national, state and local codes and all applicable ANSI standards.

MAINLINE warrants that the product and components manufactured by MAINLINE will be free from defects in material and workmanship. For all connectors, this limited warranty will be for two (2) years from the original date of purchase.

This limited warranty only applies to a product in its original installation. There is no warranty for a product (1) that has been reused, (2) that is attached to an appliance that has been moved to a different location. Connectors are not to be reused under any circumstances.

MAINLINE will replace, **FREE OF CHARGE**, during the applicable warranty period, its warranted product that it deems to be defective under normal installation, use and service.

MAINLINE provides no warranty for components incorporated into its products that it does not manufacture and no warranty for products it does not manufacture. The only warranty extended for such products and components is that of the original manufacturer.

Replacement can be obtained by returning the product to the original place of purchase, along with the original receipt or proof of purchase. This remedy is exclusive and limited to product replacement only. Labor charges incurred in removal, installation, repair or replacement are excluded.

Any damage to this product as a result of misuse, abuse, neglect, accident, improper installation, or any maintenance or use in violation of MAINLINE'S instructions will void this limited warranty. In addition, MAINLINE disclaims responsibility for any damage, injury or loss caused by failures due to improper installation, use or maintenance. Product must be installed, used, repaired and maintained in accordance with MAINLINE'S warnings and instructions, all National, Provincial and Local codes and regulations, and standards set by the American National Standards Institute (ANSI).

OTHER THAN THE ABOVE LIMITED WARRANTY, MAINLINE MAKES NO ADDITIONAL WARRANTY OF ANY KIND, AND SPECIFICALLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTY (INCLUDING WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE). IN THE ALTERNATIVE, MAINLINE LIMITS ANY IMPLIED WARRANTY TO THE LENGTH OF THE LIMITED WARRANTY PROVIDED FOR THE PARTICULAR PRODUCT.

Under no circumstances shall MAINLINE be liable for special, indirect, incidental or consequential damages resulting from use of this product whether the claim is based on breach of warranty or contract, negligence, or strict liability in tort even if MAINLINE could foresee or has been advised of the possibility of such damages.

This warranty gives you specific legal rights, and you may also have other rights that vary from Province to province. Some provinces do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
