

Pressure Relief Pneumatic Pipe Plugs

Product Specifications

FEATURES

- Compact design allows easy access, even in a cleanout tee
- Pressure relief has no moving parts to fail or malfunction
- Rubber body is molded as one-piece with no seams or bonded parts
- Pressure exhausts out of the top of the plug not into test area
- Works in place of other “standard” pneumatic plugs
- Multiple sealing ribs are located in the center portion of the plug for positive sealing
